Section II

Terms & Conditions for Password Reset

In requesting a password reset, the user and the company whose name appear on the form assume all responsibility for risks associated with the request, collection, receipt, security & use of the new password including where the user opts for the same to be issued or to be collected other than by the user in person. CrimsonLogic shall:

- (i) not be obliged to verify the identity or authority of the person collecting or receiving, or using the said password or otherwise purporting to do so collect, receive or use the password on the user's behalf; and
- (ii) be further entitled to rely on the information provided in this form as to the manner & contact particulars to which the password should be issued forwarded by CrimsonLogic.

The user & the company shall in any event be liable for all charges and usage under the said password issued and CrimsonLogic shall not be enquired to whether any such use has been authorized by user. By signing this form, the user & the company confirms acceptance of the above terms.

Time for processing Request for Password Reset

The following sets out the estimated time for processing a duly complete and submitted request for Password Reset:

- (i) Where Mode of Receipt is by Fax, Phone or Self-Collection

Where the mode of receipt is by fax, phone or self-collection, CrimsonLogic will use reasonable efforts to process a duly completed Request for Password Reset & send to the user a Letter containing the reset Password within two hours from the time of receipt of the request.

- (ii) Where Mode of the Receipt is by Courier

Where the mode of receipt selected is by courier, CrimsonLogic will use reasonable efforts to process a duly completed request for Password reset and send to process a duly completed Request for Password Reset & send to the user a Letter containing the reset Password on the same working day as receipt of the request. The request must be received by CrimsonLogic before 12.00 noon that day in order for CrimsonLogic to meet the aforementioned time frame. If request is received after 12.00 noon of that day, CrimsonLogic will use reasonable efforts to process the request & send to the user the Letter containing the Reset Password on the next working day.

- (iii) Where Mode of Receipt is by Normal Mail

Where the mode of receipt selected is by normal mail, CrimsonLogic will use reasonable efforts to process a duly completed Requested for Password Reset & post to the user the Letter containing the Reset Password on the next working day after receipt of the request. Receipt of the Letter containing the Reset Password will be deemed to be received by the user within three working days.

For ROTD password reset request will be processed according to the following timing:

- (i) Forms received on or before 10.45 am will be processed by 12.00pm
- (ii) Forms received on or after 10.46am will be processed by 4.00pm
- (iii) Forms received on or after 2.46pm will be processed the following day

Please note the above are only indicative estimation of the required time for the reset of these passwords.
